PRODUCER

The first single estate in Rioja, Viñedos del Contino was established in 1973 by CVNE, establishing the “château” concept in the Rioja region.

The estate comprises 62 hectares located in a meander of the Ebro river in the Rioja Alavesa sub region.

The Contino ethos is dedication to viticulture and achieving the highest possible quality that the terroir can offer.

The results are wines of marked personality that reflect Contino’s unique provenance.
