

El Pacto Blanco 2021

Type: White

Country: Spain

Region: Rioja

Grape Variety: Mainly Viura, with some Malvasia, Garnacha Blanca, Jaina

Alcohol Percentage: 13%

Viticulture: Certified Organic | Vegan Friendly

Climate: Mild temperatures all year, rainfall in the winter, and a favourable temperature difference between day and night

Terroir: Old vineyards, with an average age of around 60 (planted between 1915 and 1974) located in the towns of Cárdenas and Nájera. Ferrous clay soils with a high component of conglomerate rock at the bottom. At an altitude of around 600 meters

Ageing: Maceration of entire bunches for 24 hours to achieve greater aromatic richness and fullness in the mouth. Subsequent maceration for six hours with the skins and then pressing. Static débouillage by decantation and racking to remove the lees. Fermentation is spontaneous with the native yeasts of the grape, at a low temperature (between 16 and 18 degrees). In the final part of the fermentation, the wine passes into oak casks and barrels with a capacity of five hundred to one thousand litres. Eight months of ageing in oak casks and barrels of different capacities (between five hundred and one thousand litres) in contact with the fine lees

Color: Straw yellow of medium intensity, with a very attractive shine that gives it great luminosity in the glass

Nose: Complex, with notes of hay, cream and pastries, as well as citrus nuances in the background

Palate: Long, with very good acidity, and at the same time a lot of structure. The tactile sensations generated by the interaction between the ageing oak and the freshness of the grape stand out. But it also stands out for its fullness and creaminess in the mouth, the result of a complete maturation in the vineyard, where the low production of old vines contributes to the richness of its bunches. A wine structured by its great acidity and rounded by its ample silky sensation

About the Winery: Viñedos El Pacto is a tribute to our forefathers, with a generation dedicated to preserving the precious wine history of Alto Najerilla and La Sonsierra, two Rioja regions with strong ties to our roots.
